

Venue:

ISF2014 will be held in the capital of Japan, Tokyo. The symposium venue, Big Sight Tokyo Fashion Town Hall locates at a newly developed area of Tokyo, Tokyo Bay Side.

<http://www.tokyo-bigsight.co.jp/english/tft/index.html>

Fashion show:

Fashion show organized by Bunka Gakuen University will be held during the symposium. State-of-the-art fiber and textile materials will be provided from major fibers and textiles companies for the preparation of their works.

Exhibition:

Exhibition on the current technologies and products of fibers and textiles will be held during the symposium at the conference venue. The exhibition will be a gathering of information both from industry and academia.

ISF2014

International Symposium on Fiber Science and Technology 2014

Commemorating the 70th anniversary of
the Society of Fiber Science and Technology, Japan

September 28-October 1, 2014

Big Sight Tokyo Fashion Town Hall
Ariake, Koto-ku, Tokyo, Japan

First Circular

The Society of Fiber Science and Technology, Japan

Invitation

It is our great pleasure to invite you to the International Symposium on Fiber Science and Technology (ISF2014), which will be held at Big Sight Tokyo Fashion Hall from September 29 to October 1, 2014. The symposium is open to all scientists and engineers conducting research or professionals interested in the field of fiber science and technology. Research area of this field is expanding quickly. In addition to the fundamental studies on the fibers and textiles, interdisciplinary research areas such as Bio-tech, Nano-tech and Info-tech also have close correlation with the field. The scope of this symposium is to provide opportunities for the persons in this field to get together, present their recent research achievements and exchange information.

Toshihiro Hirai
President of the Society of
Fiber Science and
Technology, Japan
Prof., Shinshu University

Takeshi Kikutani
Chairperson of ISF2014
Prof., Tokyo Institute of
Technology

Send information from Tokyo bay side

Topics of ISF2014 sessions

-General sessions

- G1 Fibers and Polymer Materials
- G2 Fiber and Textile Processing
- G3 Dyeing, Finishing, Coating and Laminating
- G4 Textile Science and Engineering
- G5 Fashion and Clothing Science

-Special sessions (tentative)

- S1 Advanced Fiber Symposium
- S2 Symposium on Dyeing and Finishing of Textiles
- S3 Flow & Deformation Induced Polymer Crystallization
- S4 Smart Textiles / Nanofibers
- S5 Bio-Based and Biomedical Materials
- S6 Composites and Industrial Textiles

About the Society

The Society of Fiber Science and Technology, Japan (SFSTJ) was founded in 1943. The goals of the society are to foster scientific understanding and technological innovation in the field of fibers and textiles by providing a discussion forum to the community in the field. Membership of the society is open to all scientists and engineers in the field of fibers and textiles as well as all persons who feel the activities of the society advance their professional development.

ISF2014

Co-organized by:

The Japan Chemical Fiber Association

Approved by:

The Textile Machinery Society of Japan

The Japan Research Association for Textile End-uses

Important Dates

Dead lines for

Abstract Submission ----- January 14, 2014

Notification of acceptance ----- April 14, 2014

Pre-registration ----- July 14, 2014

Extended abstract submission ----- July 14, 2014
