

Call for Papers: Special Issue of ISF2024

We are pleased to announce a call for papers for a special issue on ISF2024 in the **Journal of Fiber Science and Technology (JFST)**. This special issue aims to collect and disseminate recent advances and innovative research in fiber science and technology. It provides an excellent opportunity for authors to share their work with a broader academic audience and contribute to the ongoing dialogue within the field.

Additionally, authors will be eligible for a 50% subsidy on publication fees for accepted papers.

Scope of Submission:

- **Special Issue Theme:** "Fiber Science and Technology at the ISF2024"
- **Types of Papers Accepted:** Original research articles, review articles, case studies, etc.

Submission Details:

- **Submission Period:** February 1, 2025 to ~~May 31, 2025~~ **September 30, 2025**

Papers submitted before the deadline will be reviewed sequentially and published as soon as possible.

- **Submission Method:** Please refer to the following website (<https://www.fiber.or.jp/eng/publications/index.html>)
- **Language:** English
- **Expected Final Publication Date:** November, 2025
